

Jacks Brewery Pale Ale 4.3% ABV

Easy drinking Pale Ale. "Crisp and light in bitterness with aromas of citrus, melon and pine. This pale ale uses Vienna and pale malts to give a light straw colour with Amarillo and Chinook hops to finish off the clean, fresh, fruity flavour."

Jacks Brewery Sweet Stout 5% ABV

This Sweet stout is beautifully balanced with roasty bitterness complimented by a subtle sweetness and a hint of citrus from the late hop addition of Chinook. Subtle sweetness comes from Lactose which balances and smooths the bitterness.

Jacks Brewery Session Ale 4.3% ABV

This crisp Session Ale displays floral, spice and tropical hop flavours and aromas. It is balanced with a light, clean malt body for a refreshing finish.
