Political

Parramatta Leagues Club will not take part in any process that relates to 'party related political' processes. All decisions made by the Club will be based upon the best interests of the Members of the Club and will not be swayed by political views or influence.

Safety, Health, and Environment Commitment

Our commitment to environmental, health and safety excellence is a foundation we affirm to all of our internal and external stakeholders. We will work collaboratively with our stakeholders to protect our people, our communities, and our planet. We will review and continually improve our practices to drive improvements in environmental, health, safety, and security performance.

We are committed to

- Zero injuries, occupational illnesses, and incidents; all are preventable.
- Protecting resources by driving towards zero waste and emissions.
- Designing, building, operating, and maintaining our facilities to effectively manage process safety and other hazards and to minimize process and service risks.
- Delivering products and services that contribute to a safer and more sustainable future.
- Resolving circumstances responsibly that require corrective action.

Compliance with this commitment, applicable laws, and other requirements is the responsibility of every employee and contractor acting on our behalf and a condition of their employment or contract.

Parramatta Leagues Club Limited is committed to supporting this policy with the resources and accountability necessary to achieve this policy.
